

### **Deb Dunstall** **Assistant to Adviser Team**

## **Unflappable** **Efficiency**

Deb's career has been squarely focused on the provision of quality service. And at McLardy McShane Financial Services, this ethos shines through.

As Assistant to the Financial Services team of Advisers, Deb provides day-to-day support, ensuring the seamless functioning of the financial services business.

Deb's eye for detail, and her commitment to delivering beyond the call of duty, enable the McLardy McShane Financial Services team to get on with what they do best: providing accessible wealth protection advice for their clients.

**Deb provides the perfect combination of a happy, fun demeanour, with a laser-like attention to productivity and operational excellence.**

### **A Career Committed to Service**

Deb's career has included support and management roles in administrative, accounts, customer service and client facing disciplines. These roles have been in both the corporate world and the not-for-profit sector.

With exemplary organisational experience, Deb's exceptional knowledge of management software and systems provide the team with an operational baseline of unwavering efficiency. This affords the team genuine peace of mind, knowing that the back-office is functioning like clockwork.

With a compassionate heart, and a willingness to serve, Deb adds an important bedrock of support, a readiness to assist, and a productivity mindset to McLardy McShane Financial Services.

### **She's All Heart**

Having previously worked with families where a child has cancer, Deb experienced a life-changing mindset, especially in her day-to-day undertakings.

Aside from the fund-raising achievements and creating memorable experiences for the sick child, Deb's real reward was being welcomed into the family dynamic, and helping to improve their lives in a way that was truly hands-on.

With much humanity and empathy, Deb created a happy and spirited relationship with her cancer clients, where trust and support underpinned every interaction.

These experiences continue to influence Deb's work today, especially in her willingness to serve others.

**Deb is the resident Wordle Champion of the team.**

**With a results-driven mindset, Deb rarely misses the daily challenge!**

### **Location**

Deb is located on the glorious Sunshine Coast, in Noosa Heads. Being outdoors and enjoying the beaches, rivers and national parks of Noosa is a daily ritual for Deb.

### **Charity Work**

In addition to previously working in the not-for-profit sector, Deb has also held multiple volunteer committee positions with various Australian charities. In a number of these, Deb worked with Amanda Freeman and enjoyed their mutual work ethic and motivation to help others.

### **Fitness Focus**

Deb is a committed Noosa triathlete, half-marathoner and 'have-a-go' action person! If there's a towel and a water bottle in the gift bag, Deb will be involved!

***I always treat my clients with honesty, patience and care. I'll explain things multiple times if necessary - knowing my clients may not have the knowledge I have. I find compassion is key to successful business relationships.***
